**We strive to deliver excellence every day**

Organic eggs from Storey Farms on Johns Island are delivered fresh every few days and used in all our foods and baked goods. Besides tasting better they contain less cholesterol, less saturated fat, increased A, E and D, more omega 3 fatty acids and beta carotene.

Our coffee and espresso beans are roasted fresh weekly. We do not cut corners on the quality of ingredients we use in all our products from our cheeses to our meats right down to the flours we use. Never hesitate to let us know when something isn't right with your purchase and we will gladly ensure you walk out happy. Shalom.
